Why 7 days Sisterhood?

I feel that my task here on Earth is to create spaces of transformation, authenticity, and healing - spaces of light, love, joy, truth, self-knowledge, connection, wisdom, freedom, and oneness.

Spaces that promote deep synergies among participants.

Free from judgment. Free from nationalities. Free from social expectations.

For whom?

For all WOMEN

- ... who strive for development, growth, and inner wisdom.
- ... who long for time out, deceleration, and peace.
- ... who are interested in a collective shift in consciousness.
- ... who are on the path to healing, on the path to themselves.
- ... who are active in therapeutic professions.
- ... who are facing realignment or change.
